

Dear Spouse:

Welcome to Patrol Squadron 65 at Point Mugu. My name is Kristen Horstick, the Ombudsman for the Command. I want to extend my services so that your move will be smooth and comfortable.

Your welcome packet contains an abundance of information on your spouse's new command, the Naval Base Ventura County (Port Hueneme and Point Mugu), and the surrounding cities. My job is to help you sort through all the information and help you get the exact data you need. Moving a family is a demanding challenge. You are not alone. Please call me or one of the many support services available.
